Finding a student’s LDA (Last Date Attended).

1. Under Administration → Course administration → Reports, click “Logs”
2. Click “All participants” and select the student’s name
3. Click “Today, …” and select “All days”
4. Click “All actions” and select “All changes”
5. Click “Get these logs” and you will see every qualifying activity the student has done so far sorted in descending order by date
6. The top (most recent) log entry will have the date that is the LDA.
